Internship Experience Letter

Mr. Divyesh Devmurari
Silver Oak University

This is to certify that Mr. Divyesh Devmurari has been working with us as a **Backend Developer - intern** from July 2023 to November 2023. He was promoted to Senior position during this period.

He was performing the following major duties in our organization:

- Understanding the web development requirement and provide a development timeline.
- Create, test, and deploy web applications efficiently while concurrently working with other developers to meet the business's specific requirements.
- Fix any compatibility issues that involve PHP, CSS, HTML, and scripting between various platforms and browsers.
- Fix the issue in the existing Product.
- Responsible for keeping up with the latest programming practices and technologies via training sessions, relevant professional workshops, reading sessions, seminars, and conferences.

Mr. Divyesh Devmurari is a sincere, professional, hard-working intern and bears a good moral character.

We wish him all the best for his future ventures and endeavors.

Thank you,

Dhruti
